Forecast for Monday 10 Jun 2024

Weather: Showery rain dying out in early hours with cloud breaking. A dry start with patchy cloud and some sunny spells. A few showers breaking out by late morning, a few heavier ones likely in the afternoon before dying out in the evening.

Chance of cloud-free hill tops above 800m: 70% at first rising 90% or more.

Low cloud and visibility: A few banks of cloud at 700-900m at first then lifting above summits. Visibility away from cloud mainly good but dropping briefly in showers.
